GREENVILLE NEWS
Repairs at Congregational Church Are Being Pushed Along—Ventilators to Be Put In.
The work of repairing the floor at the Greenville Congregational church is progressing rapidly this week. A new floor will be laid in the room in the basement of the church. The old floor and the supporting beams under it have nearly all been removed and the new floor will be started as soon as the old one is out of the way. There will be four fresh air ventilators put in the room, two on the north side and two on the south side. The holes for the pipes for the ventilators were started Tuesday on the north side. The workmen find it quite difficult to dig the holes, as they have to tunnel through three feet of solid stone wall to reach the interior of the church.

ARGUED FOR VOTES FOR WOMEN
Mrs. M. Toscan Bennett of Hartford Addressed Public Meeting of Norwich Equal Suffrage League—Miss Emily Pierson of Cromwell Also Speaks—Women's Vote Essential to Any Real Reform, is Their Claim.

Interesting talks in behalf of the suffrage movement were given by Mrs. M. Toscan Bennett of Hartford and Miss Emily Pierson of Cromwell before a good sized audience at the Norwich club Tuesday afternoon, under the auspices of the Norwich Equal Franchise league. The president of the league, Mrs. William A. Norton, presided and introduced Mrs. Bennett as the first speaker.

There are, said Mrs. Bennett, real reasons for this great suffrage movement, which is taking place not only in Connecticut and the United States but in the whole world. The position of woman in the home has changed greatly in the past fifty years; we live under very different conditions of home life. The large body of women working away in their homes today do not realize why the home life is not the same as it used to be. Now, the industries of the home are controlled by the government, and the laws are not enforced; the executives don't have time to look out for the women.

Certain projects should interest every woman and all shall feel the personal responsibility and duty towards social service. Those of the leisure class should take more time into it than those who have fewer hours to themselves. In seeking reform, the first step must be franchise for women. There is no reform that won't come easier and quicker with the mass of the women's vote behind it. The women who have the least time are the ones who need the reforms the most. There are women working in vile and horrible places, under the worst of conditions. The only possible way of controlling the conditions under which these women must labor is by the ballot.

Must Get the Ballot.
There is something for each one today and what she takes up should be done with the feeling of responsibility. The woman who goes before the legislators today is disregarded, because she has no power over them. No matter what form of social service you take up, you can't do anything without the ballot; and the ballot you must get from the men. They must give the vote to the women when they realize that these votes are essential to the carrying out of any great reform.

Enemies of Woman Suffrage.
The most energetic enemies of woman suffrage are the liquor dealers and employers of cheap labor, child labor. The very fact of this opposition is a proof of the value of the equal franchise, since these forces of evil fear the vote in the hands of the woman. In not all places where there is equal suffrage have the towns come "dry" but in practically every place there are better laws regulating the liquor traffic which tend to reduce its evil influence. Why do the

be the feature of the evening. Acrobatic stunts were also executed by Miss Ora Truduen and Miss Anita Belair. Many games were played and piano solos were rendered by Miss Ethel Reeves, Mrs. Alexander Reeves and Miss Amanda Belair. Popular songs and all present joined in the chorus. At ten o'clock refreshments of hot chocolate and cake were served, and after having spent a pleasant evening the party broke up at a late hour.

At 8 o'clock a bountiful supper was served to the guests, who numbered nearly 100. Following the supper, those present were entertained with vocal solos by Mrs. A. Bessette, Miss Agnes Terrien, Francis Landry and Miss Joseph Cadrette. They were accompanied on the piano by Miss Agnes Terrien. The supper was in charge of Mr. and Mrs. Marcel Despres of New Bedford, Miss Josephine Despres of Chicopee Falls, and Mrs. Josephine Gaudin, John Frechette of Plainfield, Alfred Cadrette, Philomen Gaudin and Henry Terrien.

REALTY AND BUSINESS.
Past Week Shows a Gain Over Same Period Last Year.
Norwich had 14 sales of real estate last week to four a year ago, while the same week last year was nothing but one sale and \$100 a year ago.
Statistics of real estate transactions in the towns reported in The Commercial Record for the current week indicate that the volume of business in this line is being well maintained. Total sales in the larger towns for the week numbered 403, which corresponds with 387 for the corresponding week of last year. For the same week the amount of money loaned was \$185,000, as against \$195,275, against \$203,144 the previous year.
No petitions in bankruptcy have filed in this state during the week—an unusual record. For several years, however, there has been very little activity in this line during the third week in October.
The six new incorporations for the week have average capitalization of \$21,500, which is about the same as it was a year ago.
Fewer building permits were issued in the four larger cities of the state during the week than for the same week of 1911, and for buildings costing greatly less than at that time. The record of 80 permits for the past week compares with 110 a year ago, and the cost of buildings, \$198,465, is about \$118,000 less than for the like week of the previous year.

Here is a Real Dyspepsia Cure

"PAPE'S DIAPEPSIN" SETTLES SOUR, UPSET STOMACHS IN FIVE MINUTES.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certain effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.
Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.
You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.
Go now, make the best investment you ever made by getting a large fifty cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

She kept a brave courage in the face of severe, long continued pain, and bore it uncomplainingly. In her last illness, she, who had always in her turn been devoted to her family, was tenderly cared for by her sister, and her niece, Mrs. Smith. She is survived by one sister, Miss Sarah Corbin of Norwich Town, who is the last in a family of eight brothers and sisters.
